

Privacy Policy for Story Sprouts

Effective Date: 03/16/2024

Introduction

Welcome to Story Sprouts. This Privacy Policy describes our practices concerning the personal information that we collect from users of our application and services.

Information Collection and Use

We collect information that you provide to us directly, such as when you create an account, input character attributes, or contact us for support. This information may include your name, email address, and other details you choose to provide.

We also collect data through third-party services such as Firebase Auth for authentication purposes and RevenueCat for payment and subscription management. This data may include transaction identifiers and email addresses used for account creation and subscription management.

The information we collect is used to provide and improve our services, process transactions, and communicate with you.

Children's Privacy

Our app does not knowingly collect or solicit personal information from children under the age of 13. If we learn that we have inadvertently collected personal information from a child under 13, we will take steps to promptly delete the information.

Data Storage and Security

We employ measures to protect and secure your personal information, including encryption and access controls. We store this information for as long as it is necessary to provide our service and as required by law.

User Rights

You have the right to access, correct, or delete your personal information. You may also have the right to object to or restrict certain processing of your personal information.

Subscription and Ownership

By subscribing to our services, you agree to our subscription terms and fees. All content generated by our application, including AI-generated stories, is the property of [Your Company/App Name] and is protected by copyright laws.

Changes to This Privacy Policy

We may update this Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page and updating the effective date.
